EMAIL POLICY@GLOBALFUNDGIRLS.ORG TO REGISTER

Virtual Table Talk with Rachel Hicks (they/them), Shonnell Flournoy and others around State and Structural Violence Against Black Women and Anti-Blackness.

Global Foundation for Girls was founded in 2020 largely with inspiration from the violent murder at the hands of police, of Breonna Taylor a 26 year old Black Woman. Our foundation fights for a world free of racism and anti-blackness that is safe for young girls and gender fluid people of color.

The format of the workshops will include a brief formal presentation followed by a Table Talk Dialogue among speakers and engagement with the audience on what you can do to get involved and support this issue.

Sponsored by the Resist Foundation.
